The board (the “**Board**”) of directors (the “**Directors**”, each a “**Director**”) of the Company wishes to inform the shareholders of the Company (“**Shareholders**”) and potential investors that, based on a preliminary review of the unaudited consolidated management accounts of the Group, the Group recorded a growth in revenue in both maintenance and repair services segment and modification, tuning and grooming services and trading of spare parts segment and an increase in gross profit for the nine months ended 30 September 2018 as compared to the corresponding period in 2017 as a result of the opening of our new Sin Ming Autocity service centre which commenced operations in September 2017. However, the Group is expected to record a loss for the nine months ended 30 September 2018 as compared to a net profit of S\$30,000 for the corresponding period in 2017. As the Company is in the process of finalising its third quarterly results of the Group for the nine months ended 30 September 2018, the information contained in this announcement is only based on a preliminary assessment by the Board based on the information available to it and the unaudited consolidated management accounts of the Group for the nine months ended 30 September 2018 which have not been audited by the Company’s auditor.
